Reset Password

Username: mock

Please include an '@' in the email address. 'mock' is missing an '@'.

Change

CROCODILE SOLUTIONS
Legal Case Management Software

Crocodile Solutions, developer of Wings® Legal Case & Practice Management software in a cloud, started with an idea to make the day-to-day life of attorneys easier. Over the years, it's evolved into a software development company that serves Social Security Disability, Veterans Law, Workers' Compensation, and Personal Injury practices.

Crocodile Solutions | 100 Sycamore Street | Middleburg, VA 20117 | 336 742-0395 | sales@crocodilesolutions.com

Case 2 : strong password

React App

localhost:3000/#

localhost:3000 says

Password should be at least 8 characters long and contain at least one uppercase letter, one lowercase letter, and one digit.

OK
